

PABLO

Collezione Divani Moderni

Un divano dalle linee importanti ed eleganti, **molto confortevole nelle imbottiture**, con gli schienali completati da poggiatesta regolabili manualmente. Con l'inserimento del **meccanismo relax elettrico** la comodità è completa.

Versatile nelle composizioni grazie al sistema modulare e angolare. Con l'inserimento del **sistema prontoletto** ogni versione si trasforma in un comodo letto con un facile movimento che consente di far ruotare lo schienale e la seduta senza dover spostare i cuscini.
